Subject: New England BioLabs catalog available on cyBUY

Effective immediately, the New England BioLabs catalog is available to cyBUY users.

The New England BioLabs catalog includes university contract pricing for recombinant and native enzyme reagents, as well as providing solutions supporting genome editing, synthetic biology and next-generation sequencing.

For assistance with your New England BioLabs orders, please contact representative Faraz Haidari at 301-514-5272 or haidari@neb.com. For assistance with the cyBUY Contract Marketplace or cyBUY system in AccessPlus, contact cyBUY coordinator Ella Wichers at 294-8577 or cyBUY@iastate.edu.
